

## **DAVID W. CRAWFORD**

***Associate Director, Materials Management  
Boehringer Ingelheim Chemicals, Inc.***

David W. Crawford is the Associate Director, Materials Management for Boehringer Ingelheim Chemicals with responsibility for Central Distribution, Logistics & Trade Compliance, Planning & Scheduling and Inventory Control. He also serves on the corporate Launch & Strategic Products Supply Chain management team. Previously, David served as the Senior Manager, Business Process Excellence for Boehringer Ingelheim Chemicals. David is a certified Lean Six Sigma Master Black Belt.

David began his Lean Six Sigma journey 20 years ago at AlliedSignal/Honeywell, where he held various positions in production, training, quality and supply chain. Prior to joining Boehringer Ingelheim, David served as the Lean Champion for Honeywell Nylon where he led Lean transformation initiatives for five domestic and two international sites.

In a five year period serving as Sr. Manager, Business Process Excellence for Boehringer Ingelheim Chemicals, David and his team executed a diverse portfolio of strategic and tactical improvement projects where they certified 16 Green Belts and 14 Black Belts and delivered over \$26M in project benefits.

David holds a Master's degree in Business Administration from Averette University and Bachelor's degree in Business Administration from Saint Leo College.

David is a founding member and past Chair of the Virginia Business Excellence Consortium (VBEC).
